Summer Words

with Simple Definitions

sweltering – very, very hot

drought – a long time with no rain

UV Index – a number that shows how strong the sun's rays are that day

sarong – a lightweight piece of cloth people wrap around their waist like a skirt

skort – clothing that looks like a skirt in the front but has shorts underneath

pollen – tiny yellow dust from flowers that can make some people sneeze

stump – the bottom part of a tree that's left after it's been cut down

chickadee – a small, cute bird with a call that sounds like chick-a-dee-dee

Bastille Day – a French holiday on July 14 that celebrates the country's freedom and history

Canada Day – a Canadian holiday on July 1 that celebrates the country's birthday

serene – very calm and peaceful

bountiful – having a lot of something, like food, flowers, or fun things to do
