

## Weather & Seasons

Would you rather be too cold or too hot?	Would you rather play in a pile of leaves or splash in puddles?	Would you rather it snow every day or rain every day?
Would you rather wear flip flops in the cold or a winter coat in the heat?	Would you rather have it always be winter or always be spring?	Would you rather wear 12 winter hats or 15 pairs of mittens?
Would you rather go water skiing or downhill skiing?	Would you rather build a snow fort or a sand castle?	Would you rather have no air conditioning or no heating?
Would you rather rake leaves or shovel snow?	Would you rather jump into a freezing lake or walk barefoot on hot sand?	Would you rather drink hot cocoa on a snowy day or lemonade on a sunny day?
Would you rather go sledding in winter or hiking in the fall?	Would you rather watch a thunderstorm or a snowstorm?	Would you rather have a picnic in the rain or a snowball fight in the sun?
