

## Silly & Fun

Would you rather make silly jokes or funny faces?	Would you rather snort like a pig all day or neigh like a horse?	Would you rather jump into a pool of marshmallows or pudding?
Would you rather spend the day hiccuping or sneezing?	Would you rather sing everything you say or dance everywhere you go?	Would you rather always have to hop like a bunny or walk like a crab?
Would you rather the hair on your eyebrows or in your nose never stopped growing?	Would you rather have cupcakes for hands or brownies for feet?	Would you rather jump in muddy puddles or roll down a grassy hill?
Would you rather have a slide instead of stairs or a trampoline floor?	Would you rather wear your clothes backward for a week or wear socks on your hands for a day?	Would you rather have spaghetti for hair or pancakes for ears?
Would you rather talk like a robot or laugh like a donkey?	Would you rather have to sing every time you talk or moo every time you laugh?	Would you rather wear shoes made of jelly or a hat made of whipped cream?
