# Fall Words

with Simple Definitions

**autumn** – the season between summer and winter when the weather gets cooler and the leaves change color. It's also called fall.

**burgundy** – a dark red color that looks like red grapes or autumn leaves.

**cornucopia** – a horn-shaped basket filled with fruits, vegetables, and flowers, often used as a decoration at Thanksgiving to show a time of plenty.

**crimson** – a bright, deep red color, like a ripe apple or a red leaf in fall.

**deciduous** – a word to describe trees that lose their leaves in the fall and grow new ones in the spring.

**ember** – a small, glowing piece of wood or coal left after a fire starts to die down.

**equinox** – a day in the fall or spring when daytime and nighttime are the same length.

**gourd** – a hard-shelled fruit (more commonly thought of as a vegetable) often used for eating or decorating in fall.

**overcast** – when the sky is full of clouds and the sun is hidden. It looks gray outside.

**quince** – a yellow fruit that looks like a bumpy apple or pear. It's usually cooked and used in jams or desserts.
