Fun Poems: "Fall"

Draw and color a picture to go with the poem.

Fall is the season between summer and winter
When leaves turn orange, yellow, and brown!
The weather gets cooler, and chilly winds blow,
And leaves swirl as they're tumbling down!

Fall is the time farmers harvest their crops.
In their fields they start early each morn.
Picking pumpkins and carrots and butternut squash,
Juicy apples, sweet potatoes, and corn!

Teaching Tip: Read the poem aloud with the child. As you read the poem together, encourage him or her to visualize what the poet is describing.
